Join us for a community candlelight vigil and water lantern release amongst a light display featuring over 50,000 pink, blue, and white lights in memory of babies in Heaven.

This is a **free** event for families who have experienced pregnancy or infant loss and their friends and family. Together, we will walk through rows of beautiful lights and hear our babies' names during our Reading of the Names ceremony. United in our heartache, we will remember our precious babies in Heaven. We look forward to sharing a night of hope and healing with you.
